

SUMMARY OF THE FIRST HALF-YEAR OF THE "ERASMUS +" PROGRAM IMPLEMENTATION IN THE ELEMENTARY SCHOOL IN LUBICZ DOLNY

In the first semester of the 2017/2018 school year, the Erasmus + project in our school provided many different activities directed to the teaching staff and students.

Teachers:

- the first group of teachers (Mrs. Grażyna Drapała, Mrs. Barbara Lefelbajn-Saja) took part in an external course in Brussels,
- 3 teachers (Mrs. Grażyna Drapała, Mrs. Barbara Lefelbajn-Saja and Mrs. Mirela Mizak) have completed eTwinning courses in programming,
- a conference promoting the project in our commune took place,
- a blog dedicated to the project has been created: <https://erasmus-lubicz.weebly.com/>.

Students:

- took part in programming classes without a computer - they coded and decoded information, practiced causal thinking,
- participated in "Hour of code" classes, gaining certificates,
- learned programming based on games: Kodable, Code Spark Academy, Scottie go, Baltie.

Additional activities meant to diversify our educational experiences await us in the future.
